

Consultation

Consultations are free and are usually 30 minutes long. Please bring along all your reference material, ideas, and pictures. If you prefer, you are more than welcome to email in your design ideas, references, and a brief to bookings@steamedrabbit.co.za or Whatsapp us on 064 546 0851.

We can also arrange Zoom consultations for convenience if necessary.

It's important to note that Dee does not copy other peoples' tattoos, so if you send another person's tattoo from Google or such, it can be used as an idea or inspiration, but never copied.

Deposit

A booking will then be made for you, and a deposit will be charged to secure it. This deposit is **non-refundable**, but is transferable should the booking be rescheduled 48 hours in advance. You will only be able to transfer the appointment once. Cancellations under 48 hours before the appointment or no-shows will result in a forfeit deposit. This applies to touchups as well. Your touchup will be forfeit if cancelled under 48 hours in advance, and can only be rescheduled once. No design work will be done without a deposit paid. The deposit will be deducted OFF the final cost of your tattoo, for which you will pay the balance on the day. Please note you will have one week to pay the deposit, unless otherwise arranged.

STANDARD DEPOSIT FEE IS 50% OF THE QUOTED AMOUNT.

FULL DAY BOOKINGS cover 10am to 5pm, allowing for breaks for both artist and client.

Design

Most designs are arranged on the day of your tattoo: there is time set aside for this. However, there are some designs that require a bit more time, and an initial design fee of R350 is charged.

In this instance, Dee will do a sketch mock-up for you during your consult, or soon before your appointment and send it to you directly via email or whatsapp. You and Dee will work together to come to a design for you. You will be allowed 3 changes or amendments. Any extra changes will be charged for at an hourly design rate.

Designs are only received during the week before your tattoo, as advised by Dee. You will **never** be pressured to get tattooed unless you are 100% happy.

In some instances, should the design concept be changed entirely, a new design fee will apply.

On the Day

Be well rested, and have a good meal beforehand. Please be punctual, as it is essentially your time, and we'd like you to get the maximum benefit out of it! If, due to unforeseen circumstances you are unable to make it on time or at all please let us know. Otherwise, if you are 20 minutes late you will be considered a no-show.

Dee is currently working from
Steamed Rabbit Tattoos
22 Valley Road,
Bordeaux

(Watch out, there is an error on Google Maps that has 22 Valley Road listed incorrectly in Robin Hills. The right one is the one by Randburg, off Jan Smuts/Republic Road. It's a solid green gate, with a grey wall.)

Please note, when we quote you it is based on an estimated amount of time your artist thinks it will take to complete the tattoo. If further hours are required to complete the tattoo, there will be an additional cost, or additional sittings. Any additional costs will be clearly communicated, don't worry! Dee does not rush her tattoos as she wants to provide the best possible quality. The first touchup within three months is for free, except where it is obvious that the client has not taken care of the tattoo during healing.

And most importantly, thank you for choosing Steamed Rabbit Tattoos! I truly appreciate each and every client, and I look forward to working with you!
